REPORT 4 OF 5

Inventory and Product Intelligence

Best-selling products, price ladder and stock risk.

- Thüringer Rostbratwurst, the #2 product ($24.6M), has zero stock
- 5 products are out of stock and 12 hold fewer than 10 units
- Inventory asset value is $74.05K across 77 products

Executive Summary and Key Insights

Total Revenue	Total Units Sold	Top Performer (Orders)	Core Client Hub
$448.47M	16M	Margaret Peacock	USA

Headline

The business generated **$448.5M** in revenue from **16,282 orders** and 15.5M units sold. Revenue has been flat at roughly $38–41M a year since 2013, and it depends heavily on five countries and a handful of products.

Key insights

- **Markets are concentrated.** USA ($63.9M), Germany ($59.1M), France ($49.1M), Brazil ($46.3M) and UK ($36.3M) bring in **56.8%** of revenue. USA is also the Core Client Hub, with 13 customers.
- **Seasonality is mild.** Q3 is the strongest quarter ($119.6M, 26.7%) and Q1 the weakest ($106.7M).
- **The sales team is evenly balanced.** Each employee produced $48.3M–$51.5M. Margaret Peacock leads on orders (1,908), and Steven Buchanan is close behind on revenue. Sales Representatives generate 66.8% of revenue.
- **Product revenue is concentrated.** The top 5 products make up 28.2% of revenue. Côte de Blaye alone brings in $53.3M (11.9%).
- **Small markets are the weakest.** Ireland, Norway and Poland each have only 1 customer, and they are also the three lowest countries by revenue ($4.5M–$6.0M).

The headline, key insights, risks and recommendations in one view.

- Revenue is flat at roughly $38–41M a year since 2013
- Revenue depends on five countries and a handful of products
- Priorities: restock top sellers, grow single-customer markets, plan for the Q3 peak
